Mr John Fairlie (resigned 7 February 2024)

Mr Giovanni Di Monda

Mr Rodney Parker

Mr Bernard Smith

Mr Allistair Lindsay

Mr Wayne Davy

#### **Trust Information**

The Trust is an Australian Registered Scheme. GDA Securities Ltd, the Responsible Entity of the Trust, is incorporated and domiciled in Australia. The registered office of the Responsible Entity is located at Level 2, 94 Liverpool Street, Hobart, TAS 7000.

#### **Principal Activity**

The principal activity of the Trust during the year was the investment of Unit Holders' funds in accordance with the Trust Constitution. There has been no significant change in the nature of this activity during the year.

#### **Review of Results and Operations**

The results of the operations of the Trust for the half year ended 31 December 2023 are disclosed in the Statement of Profit or Loss and Other Comprehensive Income section of the financial report. The Trust derived a net operating loss before distributions of \$149,372 (31 December 2022: \$3,330,740 profit).

The decrease in net operating profit was primarily due to an increase in finance expenses, through increases in interest rates and the loan facility to fund the acquisition of 5-10 Third Avenue, Mawson Lakes SA, resulting in total interest expenses of \$1,086,495 (31 December 2022: \$688,135) and unrealised net losses from revaluation of investment properties of \$899,039 (31 December 2022: \$2,738,660 net gain).

#### **Distributions**

The net distributions of the Trust for the half year ended 31 December 2023 were \$1,375,119 (31 December 2022: \$1,379,392).

Distributions will continue to be reviewed by the Board of Directors with the level of distributions to be determined by the Trust's ongoing performance.

#### Significant Changes in the State of Affairs

There have been no significant changes in the State of Affairs of the Trust during the financial year.

#### Significant Events after the Balance Date

On 5 February 2024, Probiotics Australia Pty Ltd, who occupy the premises located at 24-30 Blanck Street, Ormeau QLD, went into voluntary administration. Hall Chadwick were appointed as the administrators and they are currently continuing to occupy the premises during their appointment. We are currently in discussions with the appointed administrators who are looking to sell the tenant's business as a going concern.

There were no other significant events after the Balance Date.

#### **Future Developments**

To the best of the directors knowledge, there are no other anticipated changes in the operations of the Trust which would have a material impact on the future results of the Trust. Property valuation changes, movements in the fair value of financial instruments and movements in interest rates may have a material impact on the Trust's results in future years. However, these cannot be reliably estimated at the date of this report.

Further information on likely developments in the operations of the Trust and the expected results of operations have not been included in this financial report because the Responsible Entity believes it would be likely to result in unreasonable prejudice to the Trust.

## DIRECTORS' REPORT (Continued)

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2023

#### NOTE 1: Summary of Accounting Policies

#### (a) Statement of compliance

The half-year financial report is a general-purpose financial report which has been prepared in accordance with the terms of the Trust Constitution, the Corporations Act 2001 and AASB 134 Interim Financial Reporting. These half-year financial statements do not include all the notes of the type normally included in annual financial statements and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the entity as the full financial statements. Accordingly, these half-year financial statements are to be read in conjunction with the annual financial statements for the year ended 30 June 2023.

#### (b) Basis of preparation

The financial statements have been prepared on the basis of historical cost, except for certain assets which, as noted, are at fair value. Cost is based on the fair values of the consideration given in exchange for assets. All investment properties are recorded at fair value. All amounts are presented in Australian dollars and have been rounded to the nearest dollar, unless otherwise noted.

The accounting policies and methods of computation adopted in the preparation of the half-year financial report are consistent with those adopted and disclosed in the annual financial report for the financial year ended 30 June 2023. These accounting policies are consistent with Australian Accounting Standards and International Financial Reporting Standards.

The Trust has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board that are relevant to their operations and effective for the current reporting period. The adoption of these new and revised Standards and Interpretations did not have any material financial impact on the amounts recognised in the financial statements of the entity for the current or prior periods.

The Trust's property investments are revalued to fair value by independent valuers to ensure that the fair value is not materially different to the carrying value. Directors' valuations are performed whenever GDA Securities believes there is a significant change in fair value since the previous valuation.

All valuers used are independent valuers that are not related to the Trust. Each valuer is a member of the Australian Institute, and they have appropriate qualifications and recent experience in the valuation of properties in relevant locations.

Refer to Note 7 for further information on fair values of investment properties.

#### NOTE 7: Fair Values

#### Recurring fair value measurements

The following financial instruments are subject to recurring fair value measurements:

	31 December 2023 \$	30 June 2023 \$
Level 1 Investments in ASX listed funds	- -	1,963,810
Level 3 Investment Properties	107,586,104 107,586,104	79,084,265 81,048,075

#### Fair value hierarchy

AASB 13 Fair Value Measurement requires disclosure of fair value measurements by level in the fair value measurement hierarchy as follows:

- Level 1: the instrument has guoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: a valuation technique is used using inputs other than quoted prices within Level 1 that are observable for the financial instrument, either directly (i.e. as prices), or indirectly (i.e. derived from prices);
- Level 3: a valuation technique is used using inputs that are not observable based on observable market data (unobservable inputs).

As the Trust holds investment properties, which are independently valued at least every twelve months by a certified valuer, all investment properties fall within Level 3 of the fair value hierarchy.

#### **Transfers**

During the financial period ended 31 December 2022 there were no transfers into or out of Level 3.

#### Valuation techniques used to derive Level 3 fair values

Investment properties are independently valued at least once every twelve months by a Certified Practising Valuer registered with the Australian Property Institute. The following table sets out the valuation techniques used to measure fair value within Level 3, including details of the significant unobservable inputs used and the relationship between unobservable inputs and fair value

#### Reconciliation of Level 3 fair value movements

The following table sets out the movements in Level 3 fair values for recurring measurements:

Balance at End of Financial Year at Fair Value	107,586,104	79,084,265

#### Valuation processes for Level 3 fair values

An independent property valuer is appointed to carry out a valuation at least once every twelve months. The valuer must be a member of the Australian Property Institute. The valuation must be performed on the basis of standard practices of the Australian Property Institute.

The Board of Directors must approve the appointment of each valuer and the same valuer cannot be used for more than two consecutive valuations. In intervening periods building valuations are revised according to the Board of Directors assessment of the property market.

#### Disclosed fair values

The Trust also has assets and liabilities which are not measured at fair value, but for which fair values are disclosed in the notes to the financial statements. Due to their short-term nature, the carrying amount of receivables, other current assets, payables, distributions payable and other current liabilities are assumed to approximate their fair values.

The fair value of non-current borrowings is estimated by discounting the future contractual cash flows at the current market interest rates that are available to the Trust for similar financial instruments. The fair value of these borrowings is not materially different from the carrying value because they bear interest at variable rates.

#### INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of GDA Diversified Property Trust

#### Report on the Half-Year Financial Report

#### Conclusion

We have reviewed the half-year financial report of GDA Diversified Property Trust (the Trust), which comprises the statement of financial position as at 31 December 2023, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Trust does not comply with the *Corporations Act 2001* including:

- (i) Giving a true and fair view of the Trust's financial position as at 31 December 2023 and of its financial performance for the half-year ended on that date; and
- (ii) Complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

#### Basis for conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Trust in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Trust, would be the same terms if given to the directors as at the time of this auditor's review report.

#### Responsibility of the directors for the financial report

The directors of the Trust are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

#### Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Trust's financial position as at 31 December 2023 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
